The Revelation of Christ in Leviticus

THE CENTRAL FOCUS OF THE BIBLE — CHRIST THE FULFILLMENT OF ALL SCRIPTURE

The Bible has one centre: the Person and Work of Christ. From Genesis to Revelation every line moves toward Him and finds its completion in Him.

“ *You search the Scriptures, for in them you think you have eternal life; and these are they which testify of Me. But you are not willing to come to Me that you may have life.”*

— John 5:39–40 **”**

“ *Beginning at Moses and all the Prophets, He expounded to them in all the Scriptures the things concerning Himself.”*

— Luke 24:27 **”**

Veil and Vision

When Israel read the Law, a veil lay over their hearts (2 Corinthians 3:14–16). They saw the words but not the Word; the form but not the Face. But when the heart turns to Christ, the veil is taken away. Then everything changes:

- The law becomes life.
- The shadow reveals its substance.
- The ritual unveils the Redeemer.

The same Scriptures that once concealed Him now reveal the glory of Christ, the true Reality. The Spirit opens the eyes of faith to see beyond the letter to the living Person — “*The letter kills, but the Spirit gives life.*” (2 Corinthians 3:6)

The Structure of the Old Testament

The Old Testament has three sections: Law, Prophets, and Psalms (Writings). Jesus declared that all three speak of Him.

“ *All things must be fulfilled which were written in the Law of Moses, and in the Prophets, and in the Psalms, concerning Me.”*

— Luke 24:44 **”**

Christ and the Law

“ *Do not think that I came to destroy the Law or the Prophets; I did not come to destroy but to fulfill.”*

— Matthew 5:17–18 **”**

The Law revealed God’s holiness and demanded righteousness. Christ fulfilled it through perfect obedience and by offering Himself as the true sacrifice. The Law demanded; Christ delivered. The Law revealed sin; Christ removed it. The Law showed the way; Christ became the Way.

Christ and the Prophets

“The Law and the Prophets were until John; since that time the kingdom of God is preached” (Luke 16:16). *“To Him give all the prophets witness”* (Acts 10:43). Every prophet pointed to Him; Christ came as their fulfillment.

Christ and the Psalms

“All things must be fulfilled ...in the Psalms concerning Me” (Luke 24:44). The Psalms unveil His suffering (Psalm 22), resurrection (Psalm 16), kingship (Psalm 2), and priesthood (Psalm 110). What the Law required, the Prophets foretold, and the Psalms expressed—Christ fulfilled completely.

Christ Revealed to the Disciples

“Did not our hearts burn within us while He talked with us on the road?” (Luke 24:32). Every sacrifice, law, song, and prophecy finds meaning in Christ Himself.

Apostolic Confirmation

Reference	Witness of Fulfillment
Romans 3:21	“The righteousness of God ...witnessed by the Law and the Prophets.”
Hebrews 10:7	“Behold, I have come—In the volume of the book it is written of Me.”
Acts 26:22–23	Paul preached nothing beyond what the Prophets and Moses said.
John 5:46	“If you believed Moses, you would believe Me, for he wrote about Me.”

Summary

The Law shows God's holiness. The Prophets reveal God's purpose. The Psalms express God's heart. All three converge in Christ, the fullness of God.

- In Genesis He is the Seed of the woman (3:15).
- In Exodus the Passover Lamb (12:13).
- In Leviticus our High Priest and Sacrifice.
- In Numbers the lifted Serpent (21:8–9 cf. John 3:14).
- In Deuteronomy the Prophet like Moses (18:15 cf. Acts 3:22).

CHRISTOLOGY AND REVELATION — EAGLE AND KEYHOLE VIEW

“Christology” means the study of Christ’s Person and Work. The Bible may be examined through a keyhole—individual doctrines or events—or from the eagle’s height, perceiving its grand unity in God’s eternal purpose. Without knowing Christ, one cannot know God, worship Him, or be transformed by Him. The Bible reveals not merely facts **about** Christ but **Christ Himself**. God gave us Scripture to inform our minds and **transform our hearts**. The purpose of revelation is **relationship**. The goal of doctrine is **devotion**. Unless we **know Him**, we cannot be changed. Unless we **see Him**, we cannot follow. Unless we **abide in Him**, we cannot obey or worship.

“And this is life eternal, that they might know Thee, the only true God, and Jesus Christ, whom Thou hast sent”

— John 17:3

Knowledge without communion becomes pride. Doctrine without devotion becomes dryness. But when the truth of Christ fills the heart, it produces worship, obedience, and holiness.

Paul said, “*That I may know Him, and the power of His resurrection, and the fellowship of His sufferings.*” (Philippians 3:10)

Every book of the Bible — including Leviticus — leads us into that kind of **knowing**. When we study Leviticus, we learn what it means to **draw near to God** through the sacrifice of His Son. The revelation of Christ is the root of all transformation. The more clearly we see Him, the more deeply He changes us into His image.

“*We all, with unveiled face beholding as in a mirror the glory of the Lord, are transformed into the same image*” (2 Corinthians 3:18). When we open this book, let us not seek knowledge alone — let us seek **Him**. Only those who know Him can follow, obey, and worship Him.

Every true revelation of God produces humility. When **Isaiah** saw the Lord high and lifted up, he cried, “*Woe is me! for I am undone; because I am a man of unclean lips.*” (Isaiah 6:5)

When **Peter** saw the miraculous power of Jesus, he fell at His knees and said, “*Depart from me, for I am a sinful man, O Lord.*” (Luke 5:8)

When **John** saw the risen Christ in His glory, he said, “*When I saw Him, I fell at His feet as dead.*” (Revelation 1:17)

The closer we come to the Light, the more we see our own unworthiness. Yet in that moment of brokenness, **grace lifts us up**. Isaiah was cleansed by a live coal from the altar. Peter was called to become a fisher of men. John was commissioned to write the Revelation. The Lord who humbles also restores. To **see Him** is to be **changed** forever.

THE FOUR INTERPRETIVE PRINCIPLES OF REVELATION IN LEVITICUS

To enter the riches of Leviticus, four interpretive keys must be held. God revealed truth through **shadows, dual realities, divine separation, and layered meaning**.

Shadow vs Substance

Scripture calls the Law "*a shadow of good things to come, and not the very image of the things*" (Hebrews 10:1). In Leviticus, every sacrifice, priest, and ritual was a shadow pointing to Christ, the Substance.

A shadow is real but incomplete; it depends on the substance for its form.

Shadow	Substance / Reality
Outline without details	Complete reality
Copy	Original
Temporary	Permanent
Earthly	Heavenly
Depends on reality	Self-existent

"These are a shadow of things to come, but the substance is of Christ." (Colossians 2:17)

"The law having a shadow of the good things to come can never make those who approach perfect." (Hebrews 10:1).

The shadow **teaches**; the substance **fulfills**.

The shadow **points**; the substance **provides**.

The shadow **shows the form**; the substance **gives the life**.

Reality of Duality

Two dimensions of reality run parallel — the visible and the invisible. The earthly tabernacle was a copy of the heavenly (Exodus 25:40; Hebrews 8:5). The Levitical priests served "the copy and shadow of the heavenly things." Both are real: the visible illustrates the invisible. Believers now live in both realms — on earth yet seated with Christ in heavenly places (Ephesians 2:6).

Shadow → Pointer → Reality (Christ)

"But the substance is of Christ." (Colossians 2:17)

We blame Jews for missing Christ by clinging to sacrifices; yet many Christians miss Him by clinging to His gifts. They held the shadows and lost the Substance; we hold the gifts and lose the Giver.

Christ is not an addition to life — Christ is the Life (Colossians 3:4). Everything God gives is a pointer; Christ is the point.

Divine Separation — The Principle of Holiness

From the beginning God divided — light from darkness, land from sea, Israel from the nations, Levites from the tribes, the high priest from the priests (Leviticus 20:26). Separation is the principle of holiness.

The Principle of Holiness (Summary)

Shadow	Function	Christ — The Reality	Reference
Clothing	Covers / identity	Christ is our garment — we put on Christ	Gal 3:27
Family	Belonging	Christ defines our true family	Matt 12:50
Land	Place to walk	Walk in Him — He is our place	Col 2:6
House	Where we live	Christ in us — we in Him	Col 1:27
Roots / Soil	Nourishment	Rooted in Him — He is our life-source	Col 2:7
Bread / Food	Sustenance	Christ is the true Bread	John 6:32–35
Light	Direction	Christ is the true Light	John 8:12
Vine	Fruitfulness	Christ is the true Vine	John 15:1
Water	Cleansing	Christ is Living Water	John 4:14
Drink	Satisfaction	Christ is true Drink	John 6:55
Seat	Rest / authority	Seated in Christ — He is our seat	Eph 2:6

God's Divine Order

Everything begins as common. From the common God divides the clean and unclean; from the clean He chooses what is holy. Common → Clean → Holy → God's presence.

Meanings

Common – ordinary, not yet claimed.

Clean – fit to approach God. Unclean – unfit for His presence (declared by God's sovereignty, not by moral fault). Holy – belonging to God, claimed and filled by Him.

Purity and Sanctification

Purity is freedom from mixture — the inner truth of holiness (Matthew 5:8). Sanctification is the Spirit's work that makes holiness real (Hebrews 13:12; John 17:17).

In Leviticus, sanctification was ritual and external; in Christ, it is spiritual and internal.

Fulfilment in Christ

In the Law: the unclean defiled the clean. In Christ: the Holy touches the unclean and makes them clean (Mark 1:41–42). Holiness now flows outward — not separation alone but sanctifying presence.

Summary Truth

Holiness is not separation from sin but participation in God's own nature.

Leviticus begins with **sacrifice** and ends with **sanctification** — the journey from the Cross to Consecration.

Key Verse and Idea

“*Be ye holy, for I am holy.*” (Leviticus 11:44; 19:2; 20:7). **Theme:** Holiness through Atonement.

Spiritual Message

Redemption is the beginning, not the end (Exodus 25:8). Leviticus shows what kind of people can live in God’s presence. “*You shall be to Me a kingdom of priests and a holy nation.*” (Exodus 19:6). “*You are a chosen generation, a royal priesthood*” (1 Peter 2:9). Leviticus reveals **Christ as our approach, Mediator, and Holiness**.

Key to Understanding Leviticus

Read with spiritual eyes: the altar, priest, blood, and feasts all point to Christ—the Lamb, the High Priest, the Sanctuary, the Presence of God.

Summary Reflection

Exodus ends with glory **filling** the Tabernacle; Leviticus begins with a voice **calling** from it. God calls from the tent of fellowship, not from the mountain of fear. The message is not “Stay away,” but “**Come near.**” The word “come near” defines access to God. Leviticus shows how sinful people may draw near to a holy God.

The offerings (qorban) themselves come from the same root qrb, meaning “something brought near.” The priesthood’s role was to mediate nearness. The sacrifices symbolized approach through substitution and cleansing.
(draw near, approach, bring – 80-85 times)

GOD’S JUSTICE SYSTEM — THE LAW AND THE SACRIFICE

Leviticus reveals that God’s justice system stands upon two pillars: the Law and the Sacrifice.

The Law declares God’s holiness. The Sacrifice provides the solution for man’s sinfulness. Without the Law, sin is unknown; without the Sacrifice, sin is unforgiven. Together they reveal the perfect harmony of righteousness and mercy.

The Law — The Holy Demand

“The soul that sinneth, it shall die” (Ezekiel 18:4). “Cursed is everyone who does not continue in all things written in the book of the law” (Deuteronomy 27:26; Galatians 3:10). The Law exposes sin but cannot cleanse it; the Law judges but cannot justify. It reveals God’s absolute holiness and our need for a Redeemer. **“By the law is the knowledge of sin” (Romans 3:20).**

The Sacrifice — The Merciful Provision

“Without shedding of blood there is no remission” (Hebrews 9:22). Where the Law condemns, the Sacrifice intercedes. The altar becomes the meeting place of justice and grace.

“Mercy and truth are met together; righteousness and peace have kissed each other” (Psalm 85:10). Every offering in Leviticus declares: The Law demands death for sin. The Sacrifice offers life through substitution.

The Harmony of Law and Sacrifice in Christ

At the Cross both aspects meet perfectly.

Aspect	Revealed in the Law	Fulfilled in Christ
Justice	The sinner must die (Ezekiel 18:4)	“Christ died for our sins.” (1 Corinthians 15:3)
Holiness	Requires obedience	“He became obedient unto death.” (Philippians 2:8)
Mercy	Accepts a substitute	“The Lord laid on Him the iniquity of us all.” (Isaiah 53:6)
Love	Provides a way back	“God so loved the world that He gave His Son.” (John 3:16)

The Cross is where the Law is satisfied and the Sacrifice is fulfilled. “*Do we then make void the law through faith? God forbid: we establish the law*” (Romans 3:31).

Summary

The Law demands holiness; the Sacrifice provides it. The Law declares guilt; the Sacrifice removes it. The Law reveals sin; the Sacrifice redeems the sinner. The Law says, “*The soul that sinneth shall die.*” The Sacrifice answers, “*Christ died for the ungodly.*” (Romans 5:6)

Leviticus shows both the severity of divine justice and the sweetness of divine mercy — both meet perfectly in Jesus Christ, “*the Lamb slain from the foundation of the world.*” (**Revelation 13:8**)

THE CONTINUITY OF REDEMPTION — FROM EDEN TO CALVARY

Christ’s sacrifice is not new but the culmination of one eternal plan.

In Eden, God clothed Adam and Eve with skins — innocent life for guilty life.

Abel offered a lamb and found acceptance (Genesis 4:4).

Noah built an altar after the flood (Genesis 8:20–21).

Abraham offered Isaac but received a ram in his stead (Genesis 22:13).

At Passover, Israel was redeemed by the blood of the lamb (Exodus 12:13).

At Sinai, blood sealed the covenant (Exodus 24:8). All anticipated “*the Lamb slain from the foundation of the world.*” (Revelation 13:8)

Old Covenant Shadow	Fulfilment in Christ
Animal sacrifice	Perfect Lamb of God
High priest entering yearly	Christ entered once for all (Hebrews 9:12)
Blood on altar	Blood on the Cross
Earthly tabernacle	Heavenly sanctuary

THE VOICE FROM THE TABERNACLE — A CLOSING REFLECTION

Leviticus opens with a call of grace, not with thunder and fear: “*Now the Lord called to Moses*” (Leviticus 1:1). God who dwelt in unapproachable light now invites His people to draw near through blood and faith. It is the voice of relationship, not ritual — a God who wants to dwell among His own.

The book that begins with sacrifice ends with sanctification; what begins at the altar ends in communion. Our salvation begins at the Cross and finds its goal in a life wholly given to God.

“ “*You shall be to Me a kingdom of priests and a holy nation*”

— Exodus 19:6 **”**

“To Him who loved us and washed us from our sins in His own blood...to Him be glory and dominion forever.”

— Revelation 1:5–6

Leviticus is not a book of rituals but a revelation of Christ — the Holy One who calls, cleanses, and communes with His people.

Why So Many Sacrifices?

1. **Typological Progression** – Each offering revealed a distinct truth about Christ.
2. **Pedagogical Purpose** – A visual gospel teaching holiness and substitution.
3. **Protective Purpose** – Prevented Israel from pagan innovation (Deuteronomy 12:30–31).
4. **Prophetic Purpose** – Foreshadowed the once-for-all sacrifice of Christ (Hebrews 10:11–12).

The Offerings

“Behold! The Lamb of God who takes away the sin of the world!”

— John 1:29

THE INCOMPREHENSIBLE CHRIST REVEALED IN THE OFFERINGS

Christ Himself is infinite. His Person cannot be measured, mapped, or mastered. Paul says that even **one** glory of Christ — His **love** — has **breadth, length, depth, and height** (Eph. 3:18). If **one attribute** of Jesus surpasses human comprehension, **how much more** the fullness of **Christ Himself!**

The five offerings are not five separate doctrines, but **five windows** into the same glorious Person — each revealing one facet of His inexhaustible beauty. **All of Scripture shines with glimpses of this vast Christ.** Every offering, every servant, every moment in God's dealings with His people reveals a facet of His glory:

Moses — His forbearance and faithfulness, **David** — His heart after God's own heart, **Joseph** — His suffering and exaltation, **Aaron** — His priestly intercession, **The five offerings** — the fullness of His redeeming love

Each offering unveils one dimension of His infinite Person — the **breadth** of His fellowship, the **length** of His obedience, the **depth** of His suffering, and the **height** of His devotion to the Father. No single type can contain Him; yet together they trace the contours of His perfect, completed Cross. **Every offering is a facet of Jesus' one perfect sacrifice.**

“Behold! The Lamb of God who takes away the sin of the world!”

— John 1:29

God's Order and Man's Order

To God, everything begins with **His Son**. He first beholds **the perfect obedience of Christ**, the Finished Work offered up to Him as a sweet aroma. In God's order, the path **begins with Christ's perfection and ends in fellowship**, because He sees us **in His Son**, already accepted.

To man, the journey begins elsewhere. We start with **our sin, guilt, and distance**. Only then do we move toward the altar, toward cleansing and acceptance. So in man's order, the path **begins with sin and ends in peace**, because we travel from guilt to grace.

Scripture presents both orders side by side:

- **God begins with the Burnt Offering** — Christ's perfect devotion.
- **Man begins with the Sin Offering** — our deep need.

One is **God's view from above**; the other is **man's experience from below**. Both meet in **Christ**, where

God's satisfaction and man's peace become one.

Though God commanded Israel to circumcise the flesh, He desired the circumcision of the heart. The outward act was only a shadow of an inward reality. Likewise, the sacrifices, rituals, washings, and priesthood were never ends in themselves — they pointed to deeper spiritual truths. Every external command anticipated its inner fulfilment in Christ: the true circumcision, the perfect sacrifice, the final cleansing, and the eternal Priesthood. What the law required outwardly, God intended inwardly — and Christ completes it fully.

INTRODUCTION TO THE FIVE SACRIFICES

The five offerings give a **complete picture of Christ**—His Person and His Work. Each offering reveals **one facet of His glory**, brought together in the table below.

IMPORTANT DEEPER TRUTHS

No	Key Truth	Meaning in Leviticus	Fulfilled in Christ
1	God provides the sacrifice	God chose the offering	Christ is God's Lamb
2	God's holiness never changes	Only holy offerings accepted	Christ alone perfect
3	True sacrifice must be willing	Animals came unwillingly	Christ gave Himself freely
4	Fire shows judgment	Fire never went out	Christ bore full judgment
5	Fat belongs only to God	Richest part for God	Christ's heart delighted God
6	Blood meets God first	Applied first to altar	Cross satisfied God first
7	No leaven	No corruption allowed	Christ is sinless
8	Salt = covenant	Salt in every offering	Christ's covenant eternal
9	Ashes = finished work	Nothing left to burn	"It is finished."
10	Goal is fellowship	Shared meal offering	Christ brings communion

SACRIFICIAL ANIMALS

All point to the One who fulfills them all:

“Worthy is the Lamb who was slain.”

— Revelation 5:12

SINS OF IGNORANCE & PRESUMPTION

Sins of Ignorance vs. Presumptuous Sins — Type & Antitype

The Law forgave only sins of ignorance, but the blood of Christ cleanses both—our weaknesses and our rebellions—bringing grace where the Law could only condemn.

WHY THESE ANIMALS AND WHY SO MANY DETAILS

Why These Animals?

(Christ-centered reasons God chose these five animals)

OUTSIDE THE CAMP

“Outside the Camp” and the Two Hebrew Words for “Burn”. Leviticus uses two Hebrew verbs for “burn,” and each carries a distinct spiritual meaning. One speaks of God’s delight, the other of God’s judgment — and both meet in Christ at the Cross.

Why this matters:

- *qaṭar* = God’s delight in Christ’s obedience
- *sāraph* = God’s judgment on sin placed on Christ

At Calvary, the fragrance of His obedience and the fire of judgment met in one place. At the Cross, Christ was both the fragrant offering on the altar and the judged sacrifice outside the camp.

THE GRAIN OFFERING

The Grain Offering reveals the inward beauty of Christ—Spirit-conceived, Spirit-filled, sinless, fragrant to God, and nourishment to His people.

Home Preparation of the Grain Offering

The different ways the Grain Offering was prepared—oven, pan, griddle—reveal the various dimensions of Christ’s sufferings and the hidden beauty of His sinless life.

The Grain Offering reveals the inward beauty of Christ—Spirit-conceived, Spirit-filled, sinless, fragrant to God, and nourishment to His people.

It was prepared at home in many ways—baked in the oven, cooked on a pan, or pressed on a griddle (Lev. 2:4–7). These methods show the varied pressures and hidden sufferings Christ endured: the unseen inward agony known only to the Father, the public trials and rejections before men, and the deep inward sorrow of Gethsemane. Every

form of preparation was thoughtful and personal, reminding us that Christ's perfect humanity was shaped in the ordinary, hidden places of daily life before being offered to God.

Three-fold Glories of the Lord Jesus Christ

The Inward Beauty and Moral Glory of Christ:

The Grain Offering reveals the **inward, hidden beauty** of Christ—Spirit-conceived, Spirit-filled, sinless, fragrant to God, and nourishment to His people. It was prepared **at home** before being offered: baked in the **oven** (hidden heat), cooked on the **pan** (open, visible heat), or pressed on the **griddle** (steady, penetrating heat) (Lev. 2:4–7). These preparations symbolize the varied pressures Christ endured—His unseen inward sorrows known only to the Father, His public trials before men, and His deep inward agony in Gethsemane. In every circumstance, the “fine flour” of His character remained perfectly even, perfectly pure, and perfectly fragrant.

His **personal glory** as the eternal Son was veiled, seen only by faith (Matt. 16:16) or by divine unveiling on the mount (Matt. 17:1–9). His **official glory** as Lord of angels was restrained—He walked in lowliness, though He could have summoned

“twelve legions of angels”

— Matthew 26:53

But His **moral glory** could never be hidden. He knew when to submit to His mother (Luke 2:51), when to set aside her claims (Luke 8:21; John 2:3–4), and when to honor her unsought at the Cross (John 19:27). This flawless balance is exactly what the *fine flour* portrays.

His relation to the world was equally perfect. To its **temptations**, He was **Conqueror**, refusing all its attractions. To its **pollutions and enmity**, He was **Sufferer**, grieved by its evil and opposed by its spirit. To its **misery**, He was **Benefactor**, healing, blessing, teaching, feeding, and returning good for evil. Whether hidden in the house, tested in the open, or pressed in deep sorrow, Christ remained the same—the **Bread of God**, fragrant to the Father and life for His people (John 6:35, 57).

The Priesthood

“We have such a High Priest, who is seated at the right hand of the throne of the Majesty in the heavens.”

— Hebrews 8:1

Aaron's priesthood was temporary and symbolic. Christ's priesthood is eternal and real — the fulfillment of all Levitical shadows. Every act in the consecration of the priests (Leviticus 8) points to the Person and Work of Jesus Christ.

Devotional Reflection

Aaron's priesthood ended at the altar; Christ's priesthood continues at the throne. Every drop of Levitical blood pointed to His Cross. Now every prayer rises through His intercession. He is the Priest who never sleeps, the Advocate who never fails, and the Mediator who never ceases to love.

THE THREE APPEARANCES AND THE THREE ETERNALS

(Leviticus 9 and Hebrews 9)

“For Christ has not entered the holy places made with hands... but into heaven itself, now to appear in the presence of God for us.”

— Hebrews 9:24

After the consecration in Leviticus 8, chapter 9 describes the **public inauguration of their ministry**. The priest (Aaron) moves through **three distinct appearances**, each prefiguring the redemptive work of Christ — past, present, and future.

The Three Movements in Leviticus 9

Lev. 9	Scene	Fulfilled in Christ	Significance
v.7	At the Altar	“He appeared to put away sin” (Heb. 9:26)	Past: Christ’s first appearing — Calvary
v.23a	In the Tabernacle	“Now to appear in God’s presence for us” (Heb. 9:24)	Present: Intercession in heaven
v.23b	Before the People	“He shall appear a second time” (Heb. 9:28)	Future: Glorious return

Three Appearances = One Complete Redemption

- *He has appeared* — to put away sin (Past)
- *He now appears* — to intercede for us (Present)
- *He shall appear* — to bring full salvation (Future)

The Three Eternals in Hebrews 9

Each appearance corresponds with an **eternal aspect** of His priestly work — revealing its perfection and permanence.

Summary Chart

Theological Insight

One Priest — Three Appearances — Three Eternals.

In these three appearances, we see the entire span of salvation history:

- *The Cross* — finished work of atonement.
- *The Throne* — ongoing work of intercession.
- *The Cloud* — future work of glorification.

He appeared for our **atonement**,
He appears for our **advocacy**,
He shall appear for our **acclamation**.

Verse	Eternal Truth	Connection
Hebrews 9:14 – “Through the eternal Spirit”	Eternal Spirit	Power behind His sacrifice — connects with Heb. 9:26 / Lev. 9:7 , His past appearing.
Hebrews 9:12 – “Having obtained eternal redemption”	Eternal Redemption	Result of His heavenly ministry — connects with Heb. 9:24 / Lev. 9:23a , His present appearing.
Hebrews 9:15 – “The promise of eternal inheritance”	Eternal Inheritance	Outcome of His return — connects with Heb. 9:28 / Lev. 9:23b , His future appearing.

Time	Christ's Appearance	Eternal Aspect	Type / Fulfilment
Past	He <i>appeared</i> to put away sin	Eternal Spirit	Lev. 9:7 / Heb. 9:26
Present	He <i>appears</i> now for us	Eternal Redemption	Lev. 9:23a / Heb. 9:24
Future	He <i>shall appear</i> apart from sin	Eternal Inheritance	Lev. 9:23b / Heb. 9:28

Devotional Reflection

At the altar, He dealt with sin. In heaven, He represents us. Before the world, He will return in glory. The Levitical priest could only move from the altar to the tabernacle to the people. But Christ moves from **the Cross to the Throne to the Cloud** — from **Calvary to the Heavenly Sanctuary to His Coming in Glory**.

“Even so, come, Lord Jesus.”

— Revelation 22:20

The Day of Atonement

“ Not with the blood of goats and calves, but with His own blood He entered the Most Holy Place once for all, having obtained eternal redemption. **”**

— Hebrews 9:12

Theme: The once-a-year atonement of Israel is fulfilled in the once-for-all atonement of Christ.

INTRODUCTION: THE PINNACLE OF LEVITICUS

Among Exodus’s thirty-nine chapters, Leviticus’s twenty-seven, and the journey through Numbers and Deuteronomy, one chapter rises like the **pinnacle of a holy mountain**—**Leviticus 16**, the Day of Atonement.

If the book of Leviticus is a sanctuary, then chapter 16 is the **Holy of Holies**.

If Leviticus is a mountain, then chapter 16 is the **summit**.

If Leviticus is a lens, then chapter 16 is its **clearest focus**.

Every law, every offering, every priestly function, every clean-unclean distinction ascends toward this central chapter—the one day when **one man** entered **one place** with **one offering**, for **one nation**, pointing to the final work of **One Perfect Christ for all nations**.

MEANING OF “ATONEMENT”

The Hebrew word **kāphar** means “to cover,” “to make reconciliation,” or “to make satisfaction”—the three dimensions of true atonement. It comes from a root meaning “to smear or cover over.” In the Old Testament, sin was *covered* temporarily; in the New Testament, through Christ, sin is *removed* eternally.

Distinction

- **Old Covenant:** Sin covered until Christ (Rom. 3:25—“God passed over the sins previously committed”).
- **New Covenant:** Sin taken away forever (John 1:29—“Behold, the Lamb of God who takes away the sin of the world”).

Thus, Leviticus 16 shows the **shadow**, while Hebrews 9–10 shows the **substance**. The blood of bulls and goats could cover sin; only the blood of the Son could cancel it.

THE STRUCTURAL CENTRALITY OF LEVITICUS 16

Chiastic Structure of Leviticus 16

The chapter follows a beautiful chiastic (mirror) pattern with atonement at the center:

Chapters 1–7	Chapters 23–27	Chapter 16
Sacrifices in the Tabernacle—The way to <i>come near God</i> .	Feasts and Vows in the Tabernacle—The walk with God	Day of Atonement
Priests Consecrated (8–10)	Priests Sanctified (21–22)	
Clean and Unclean (Physical) (11–15)	Clean and Unclean (Moral) (17–20)	

“And YHWH said to Moses...” (16:1)

- A. Aaron should not go into holy of holies any time he wishes (16:2)
- B. Aaron’s sacrificial victims, special vestment (16:3–4)
- C. Sacrificial victims provided by people (16:5)
- D. Aaron’s bull, goat for sin offering, goat for Azazel (16:6–10)
- E. Aaron sacrifices bull (16:11–14)
- F. Goat sacrificed as sin offering (16:15)

X. ATONEMENT (16:16–20a)

- F’. Goat sent to wilderness (16:20b–22)
- E’. Aaron’s closing activities (16:23–25)
- D’. Goat for Azazel, Aaron’s bull, goat for sin offering (16:26–28)
- C’. People rest and humble themselves (16:29–31)
- B’. Anointed priest officiates wearing special garments (16:32–33)
- A’. Anointed priest makes atonement once a year (16:34)

“As YHWH commanded Moses...” (16:34)

THE CENTRAL DAY IN ISRAEL’S CALENDAR

The Day of Atonement (*Yom Kippur*) was the holiest day in Israel’s year. It occurred on the tenth day of the seventh month (Tishri), following the Feast of Trumpets and preceding the Feast of Tabernacles (Lev. 23:26–32).

Unlike other days of feasting and joy, this was a day of affliction, repentance, and cleansing.

- Every Israelite was commanded to “afflict his soul” (Lev. 23:27).
- All work ceased.
- The nation stood still as their high priest entered the Holy of Holies once a year (Heb. 9:7).

Only then was the veil passed, the mercy seat approached, and the blood carried within. Everything about the day declared: “Access to God requires blood and a mediator.”

- | | | | |
|---|----|-----|-----|
| Purpose | of | the | Day |
| • To cleanse the sanctuary from the defilement caused by the sins of the people (Lev. 16:16). | | | |
| • To reconcile the people to God (v. 30). | | | |
| • To renew fellowship between a holy God and a sinful nation. | | | |

This shadow anticipated the eternal atonement accomplished at the Cross.

THE THREE MAIN PARTICIPANTS

The	High	Priest	(Aaron)
-----	------	--------	---------

- Represented the nation before God.
- He laid aside his golden garments and wore **simple white linen** (Lev. 16:4), symbolizing humility and purity.
- Type of **Christ**, who “made Himself of no reputation” and took “the form of a servant” (Phil. 2:7).

Aaron entered the Holy of Holies with fear and trembling; Christ entered heaven itself in triumph and glory.

The	Two	Goats
-----	-----	-------

- They formed **one offering** for sin (Lev. 16:5).
- One was **slain**, the other **sent away**—two aspects of one atonement:
 - **The slain goat**: Sin judged before God.
 - **The scapegoat**: Sin removed from man’s sight.

The		People
-----	--	--------

- They waited outside the sanctuary, depending wholly on the priest’s success.
- Their peace and purity rested on the atonement’s acceptance.
- *In Christ, believers no longer wait outside but have “boldness to enter the Holiest by the blood of Jesus” (Heb. 10:19).*

Stage	Action	Reference
1	Preparation of the high priest (washing, linen garments)	16:3–4
2	Sin offering for himself (bull)	16:6
3	Sin offering for the people (two goats)	16:7–10
4	Entrance into the Most Holy Place	16:11–14
5	Sprinkling of blood on the mercy seat	16:15–16
6	Confession over the scapegoat	16:20–22
7	Sending away the scapegoat into the wilderness	16:21–22
8	Burning of the carcasses outside the camp	16:27
9	Completion and rest	16:29–31

KEY ACTIONS ON THE DAY—THE HIGH PRIEST AS TYPE OF CHRIST

His	Preparation	(vv.	3–4)
-----	-------------	------	------

He washed with water and put on **plain linen garments**, laying aside his usual robe of glory and beauty.

Typology: Christ, though divine, laid aside His glory to humble Himself and take the form of a servant (Phil. 2:7–8; John 17:19).

His Personal Sin Offering (v. 6)

Aaron offered a bull for himself and his household—showing that **Levitical priests were sinners**. Before representing the people, Aaron needed cleansing; Christ, sinless, represents us perfectly. *Contrast:* Christ needed no such offering—“He knew no sin” (2 Cor. 5:21; Heb. 7:26–27).

The Slain Goat—Blood Sprinkled (vv. 15–19)

The goat was killed, and its blood was carried within the veil. The blood was sprinkled upon and before the mercy seat—seven times.

Type: Christ’s blood presented before the throne of God in heaven. *Hebrews 9:12*—“Not with the blood of goats and calves, but with His own blood He entered the Most Holy Place once for all.”

His Entrance within the Veil (vv. 11–14)

He entered the Most Holy Place carrying blood, surrounded by a cloud of incense lest he die.

Typology: Christ entered “into heaven itself, now to appear in the presence of God for us” (Heb. 9:24).

The Two Goats: Dual Aspect of Atonement

Two goats were taken **for one sin offering** (16:5)—not two sacrifices but **two halves of one act**.

Goat	Action	Meaning	Fulfillment in Christ
Slain goat	Blood on mercy seat	Propitiation—God’s justice satisfied	Rom. 3:25
Scapegoat (<i>Azazel</i>)	Sins sent to wilderness	Expiation—sin removed from people	John 1:29

Thus one goat represents **Godward satisfaction**, the other **manward removal**—both fulfilled in the Cross.

The Burnt Offering and Washing (vv. 23–28)

After completing the atonement, the priest changed garments and offered burnt offerings of consecration. *Type:* Christ’s resurrection and ascension—His offering wholly accepted, His work completed. Linen clothes.

The Blood Sprinkled Seven Times

“ *He shall sprinkle it upon the mercy seat and before the mercy seat seven times.*

— Leviticus 16:14 **”**

Seven signifies completion. Every drop testified that atonement was fully accomplished.

Hebrews 9:12 declares, “*He entered once for all into the holy places...by means of His own blood, thus securing eternal redemption.*”

The Scapegoat Sent Away

Aaron laid both hands on the live goat, confessing all the sins of Israel. The goat was sent away into a desolate land, symbolically carrying their guilt far from them.

Fulfilment: “As far as the east is from the west, so far has He removed our transgressions from us.” (Ps. 103:12).

1 Peter 2:24—“He bore our sins in His own body on the tree.”

Spiritual meaning: The first goat satisfies divine justice; the second removes human guilt. Together they portray the **twofold result of Calvary:** *forgiveness before God and cleansing of conscience.*

“ *As far as the east is from the west, so far has He removed our transgressions from us.*

— Psalm 103:12 **”**

“ *He is faithful and just to forgive...and to cleanse.*

— 1 John 1:9 **”**

The Burning Outside the Camp

“ *The bull and the goat whose blood was brought in to make atonement...shall be burned outside the camp.*

— Leviticus 16:27 **”**

This points to **Hebrews 13:11–12:**

“ *Jesus also suffered outside the gate in order to sanctify the people through His own blood.*

— Hebrews 13:11–12 **”**

The burning outside symbolizes rejection, shame, and complete consumption of sin—all borne by Christ on the Cross.

The Sabbath of Rest

The day concluded with **absolute rest** (16:29–31). Israel did no work, for atonement was entirely the priest’s task.

Typologically, salvation is by grace alone: “He sat down” (Heb. 10:12). “We who have believed enter into rest” (Heb. 4:3).

The Annual vs. the Eternal

Contrast	Day of Atonement	Christ’s Atonement
Frequency	Every year	Once for all (Heb. 9:26)
Priest	Many, mortal	One, eternal
Blood	Of animals	Of Christ
Sanctuary	Earthly, symbolic	Heavenly, real
Result	Temporary covering	Eternal redemption
Access	Restricted	Open to all believers
Memory of sin	Continual	Sin remembered no more (Heb. 10:17)

Thus, **Leviticus 16 prefigures Hebrews 9–10:** the same structure, but fulfilled by a sinless, immortal High Priest.

The Mercy Seat and the Cross

The *kappōret* (mercy seat) was the golden lid covering the ark of the covenant, overshadowed by cherubim. Beneath lay the tablets of the law—God’s righteous standard; above hovered His glory. When blood was sprinkled, judgment and mercy met.

“Righteousness and peace have kissed each other.”

— Psalm 85:10

“Whom God put forward as a *hilastērion* (mercy seat) by His blood.”

— Romans 3:25

At the Cross, the blood of Christ satisfied the law beneath and revealed the glory above. The place of judgment became the throne of grace.

Doctrinal Synthesis

1. **Substitution**—The innocent died for the guilty (the slain goat).
2. **Identification**—The sins were confessed and transferred (the scapegoat).
3. **Propitiation**—God’s holiness satisfied by blood on the mercy seat.

4. **Expiation**—Sin removed and remembered no more.
5. **Access**—The veil opened; believers enter boldly (Heb. 10:19–22).
6. **Intercession**—Christ now appears for us continually.
7. **Rest**—The finished work invites faith, not labor.

“ By one offering He has perfected forever those who are being sanctified.

— Hebrews 10:14 **”**

Chart: The Levitical Day and the Cross

Levitical Element	Meaning	Fulfillment in Christ

Theological

Implications

- **The cross unites justice and mercy.** God remains holy while justifying sinners.
- **The blood of Christ opens permanent access.** No veil, no repetition.
- **The believer’s conscience is cleansed.** Not merely forgiven but purified (Heb. 9:14).
- **The atonement is once for all.** Nothing can be added; all else is testimony.
- **Christ continues as Intercessor.** The same High Priest who died now lives for us (Heb. 7:25).

Devotional

Reflection

When Aaron emerged from the Holy of Holies, the people waited in silent expectation; when he appeared, they rejoiced—the atonement was accepted. So the disciples saw the risen Christ—proof that God’s justice was satisfied.

“ When He had made purification for sins, He sat down at the right hand of the Majesty on high.

— Hebrews 1:3

The Day of Atonement speaks of **Calvary (atonement accomplished), the Resurrection (atonement accepted), and the Session (atonement applied)**.

Summary Table—The Gospel in the Day of Atonement

Expiation	Scapegoat sent away	“Takes away the sin of the world”
Mediation	High priest entering	“One Mediator between God and men”
Intercession	Incense before the veil	“Ever lives to make intercession”
Sanctification	Priestly cleansing	“Sanctified through His own blood”
Reconciliation	Atonement for all	“Peace through the blood of His cross”

The **shadow** (Leviticus 16) reveals God’s holiness and the distance between God and man. The **substance** (Hebrews 9) reveals God’s love and the nearness made possible through Christ. The Day of Atonement was a **day of fear**; Calvary made it a **day of access**. The High Priest in Israel had to exit; **our High Priest never leaves the presence of God**.

Christ in the Laws of Cleansing and Holiness

Theme: "Be holy, for I am holy" — Cleansing and sanctification fulfilled in Christ.

INTRODUCTION: THE GOD WHO SEPARATES AND SANCTIFIES

After the atonement of Leviticus 16, the next great section (Leviticus 11–20) unfolds the principle of **holiness** — what it means to live as a cleansed and separated people. Atonement makes access possible; holiness makes fellowship continual.

“For I am the LORD your God: you shall therefore sanctify yourselves, and you shall be holy; for I am holy.”

— Leviticus 11:44

This call to holiness is repeated throughout Leviticus (11:44–45; 19:2; 20:7–8). Holiness is not ceremonial isolation but **conformity to God's character**. All the ceremonial distinctions — foods, diseases, discharges, moral boundaries — were shadows pointing to the **spiritual purity found in Christ**.

Table 5.1: Holiness in Leviticus and Christ

Aspect	Leviticus Theme	Fulfillment in Christ
Ceremonial cleansing	External purity	Internal cleansing by His Spirit
Physical separation	Distinction from nations	Separation unto God
Moral holiness	Reflecting God's character	Christ's life reproduced in believers

THE VOCABULARY OF PURITY AND SIN

These words move from the physical realm to the moral and finally to the spiritual — tracing the same journey from **law to grace** and from **shadow to substance**.

LAWS OF CLEANNESS AND UNCLEANNESS (LEVITICUS 11–15)

Leviticus 11–15 teaches that God's people must discern between clean and unclean in every aspect of life. Some animals or conditions symbolized spiritual truths, not moral sin.

Table 5.2: Hebrew Vocabulary of Purity

Hebrew	Meaning	Reference	Fulfillment
תָּהֹר tāhôr	Clean, pure	Lev 11:47	Matt 5:8 — “Pure in heart”
טְמֵא tāmē’	Unclean, defiled	Lev 11:47	Mark 1:40–45 — Cleansing the leper
בַּטְמֵן bêt’	Sin / sin-offering	Lev 4:3	2 Cor 5:21
קָדֵשׁ qādaš	To sanctify	Lev 20:7	John 17:19 — “I sanctify Myself”
נִזְבֵּחַ nāzâh	To sprinkle	Lev 14:7	Heb 12:24 — “Blood of sprinkling”

Clean and Unclean Animals (Levitcus 11)

Table 5.3: Categories of Clean and Unclean Animals

Category	Criterion	Symbolism	Fulfillment
Land animals	Split hoof + chew the cud	Discernment + meditation	Walk and Word (Ps 1; Heb 5:14)
Sea creatures	Fins and scales	Movement and protection	Separation and endurance
Birds	Avoid scavengers	Reject defilement	Purity of mind
Insects	Winged but grounded	Heavenly calling with humility	The life led by the Spirit

Typology: The distinction between clean and unclean points to **spiritual discernment** — walking according to the Spirit, not the flesh.

“ Touch not the unclean thing, and I will receive you. ”

— 2 Corinthians 6:17

Christological Fulfillment:

In Mark 7:18–19, Jesus declared all foods clean, showing that external distinctions had served their symbolic purpose. True cleanliness comes from the **heart purified by faith** (Acts 15:9).

Purification after Childbirth (Levitcus 12)

Childbirth, though sacred, rendered a woman ceremonially unclean, symbolizing the **transmission of sin through human generation** (Ps 51:5). Purification required a **sin offering and a burnt offering**.

Fulfillment: The Virgin Birth breaks the chain of defilement — *“That holy thing which shall be born of you shall be called the Son of God.”* (Luke 1:35)

Mary herself brought the required offering (Luke 2:22–24), acknowledging that even motherhood stands under redemption.

Laws of Leprosy (Leviticus 13–14)

Leprosy in Scripture is a vivid picture of sin:

- It begins unseen.
- It spreads silently.
- It defiles completely.
- It separates from fellowship.

Table 5.4: Leprosy as a Type of Sin

Element	Levitical Type	Spiritual Truth
Priest's examination	Diagnosis of leprosy	The Word discerns sin
Isolation	Separation from camp	Sin separates from God
Garment and house leprosy	Contamination of environment	Sin corrupts community
Cleansing with blood and water (14:4–7)	Two birds — one slain, one released	Death and resurrection of Christ

“ *He shall sprinkle upon him that is to be cleansed seven times.* **”**

— Leviticus 14:7

Fulfillment: Christ cleanses the leper by touch (Mark 1:40–45), signifying that holiness is **contagious in Him**, not defilement. In His humanity, He touched corruption without becoming unclean — **He is purity itself.**

Bodily Discharges and Impurity (Leviticus 15)

These regulations symbolized that sin flows from within man, defiling even the most intimate parts of life. Jesus interpreted them spiritually:

“ *What comes out of a man, that defiles him.* **”**

— Mark 7:20–23

Leviticus 15 anticipates the need for **inward cleansing** — fulfilled in the new birth and sanctification by the Spirit (Titus 3:5).

THE SANCTITY OF BLOOD (LEVITICUS 17)

“ For the life (*nephesh*) of the flesh is in the blood, and I have given it to you upon the altar to make atonement for your souls. ”

— Leviticus 17:11

This verse is the theological center of Leviticus. Life belongs to God, and blood — the carrier of life — must be treated as sacred.

Table 5.5: The Sanctity of Blood

Principle	Leviticus	Fulfillment
Life in the blood	Lev 17:11	”This is My blood of the new covenant” (Matt 26:28)
Blood prohibited for food	Lev 17:12	Respect for life’s sacredness
Blood for atonement	Lev 17:11	”Without shedding of blood is no remission” (Heb 9:22)

Christ’s blood is not a symbol but the **very life poured out** for redemption. It satisfies justice, cleanses conscience, and consecrates believers (1 Pet 1:2).

MORAL AND ETHICAL HOLINESS (LEVITICUS 18–20)

Chapters 18–20 move from ceremonial purity to moral purity — from the **shadow** to the **substance** of holiness.

Prohibitions (Leviticus 18)

Forbidden sexual relations represent moral boundaries rooted in divine order. Israel’s holiness was to distinguish them from Egypt and Canaan — symbolic of the world’s corruption.
In Christ, holiness is not law-keeping but **Spirit-led morality**:

“ For this is the will of God, your sanctification. ”

— 1 Thessalonians 4:3

Positive Commands (Leviticus 19)

This chapter is called the **Levitical Sermon on the Mount**. Its repeated phrase, “*I am the LORD*,” anchors every ethical command in divine character.
Principle: True holiness expresses itself in justice, mercy, and love.

Penalties for Sin (Leviticus 20)

The chapter concludes with the **penalty for defilement** — death or separation — underscoring the seriousness of sin.

Table 5.6: Commands in Leviticus 19 and Their Fulfillment

Command	Reference	Christ's Fulfillment
Love your neighbor	Lev 19:18	Matt 22:39 – "The second is like it."
Honest measures	Lev 19:35–36	Integrity of Christ
Respect for elders	Lev 19:32	Honor in the Kingdom
Care for the poor	Lev 19:9–10	Christ's compassion in action

“ You shall therefore be holy to Me, for I the LORD am holy, and have separated you from the peoples, that you should be Mine. **”**

— Leviticus 20:26

Christological Fulfillment: Christ bore these penalties in Himself. The holiness demanded by law was fulfilled and imparted through the Spirit's indwelling (Rom 8:3–4).

CHRIST THE FULFILLMENT OF CLEANSING

Table 5.7: Symbols of Cleansing Fulfilled in Christ

Levitical Symbol	Meaning	Fulfilled in Christ
Water	Cleansing	"Born of water and Spirit" (John 3:5)
Blood	Atonement	"The blood of Jesus cleanses from all sin" (1 John 1:7)
Oil	Consecration	"Anointed with the Holy Spirit" (Acts 10:38)
Fire	Purification	"He will baptize with the Holy Spirit and fire" (Matt 3:11)
Priest's declaration	Assurance	"Your faith has made you clean" (Mark 5:34)

Cleansing in Leviticus was ritual and repeated; in Christ, it is **spiritual and complete**. He is both **the purifier and the purity** itself. Hebrews 9:13–14 —

“ If the blood of bulls and goats... sanctifies for the purification of the flesh, how much more shall the blood of Christ... cleanse your conscience from dead works to serve the living God. **”**

HOLINESS: THE GOAL OF CLEANSING

Cleansing leads to consecration; holiness is a **relationship we maintain**, not a condition we achieve. The refrain "I am the LORD" in Leviticus 19 appears fifteen times — God Himself is the measure and motive of holiness.

Table 5.8: Stages of Holiness

Stage	Leviticus Pattern	Christological Reality
Cleansing	Removal of defilement	Justification
Consecration	Dedication to God	Sanctification
Communion	Fellowship with God	Union with Christ

Holiness is not isolation from sinners but **participation in the divine nature** (2 Pet 1:4).

CHART — FROM EXTERNAL PURITY TO INTERNAL HOLINESS

Table 5.9: From External Purity to Internal Holiness

Levitical Realm	Symbolic Concern	Fulfillment in Christ
Foods (ch. 11)	Discernment	New heart discerning right and wrong (Heb 5:14)
Childbirth (ch. 12)	Transmission of life	New birth in Christ
Leprosy (ch. 13–14)	Defilement of sin	Cleansing by the Word
Bodily discharge (ch. 15)	Inward pollution	Renewal of heart by Spirit
Blood (ch. 17)	Life and atonement	Eternal life through His blood
Morality (ch. 18–20)	Behavior and character	Christ-likeness in conduct

All purity laws converge in the person of Jesus — **the Clean touching the unclean to make them clean**.

THE THEOLOGY OF SEPARATION

The Hebrew root *badal* (בָּדַל) — "to separate" — runs throughout these chapters. God separates to sanctify: light from darkness, Israel from nations, clean from unclean. In Christ, this separation becomes inward — the new creation separated from the old.

“Therefore, if anyone is in Christ, he is a new creation.”

— 2 Corinthians 5:17

Separation is not withdrawal from the world but **distinction within it** — being in the world yet not of it (John 17:15–19).

DOCTRINAL

SYNTHESIS

1. **Holiness proceeds from atonement.** Cleansing is grounded in sacrifice (Lev 17:11).
2. **Purity is both positional and practical.** We are made clean in Christ and called to walk clean by the Spirit.
3. **God's holiness defines morality.** Ethics flow from worship.
4. **Christ fulfills both ceremonial and moral law.** He is the true clean One, the purifier of His people.
5. **The indwelling Spirit applies holiness.** What law commanded, grace enables.

“ Christ loved the Church and gave Himself for her, that He might sanctify and cleanse her with the washing of water by the word. **”**

— Ephesians 5:25–26

REFLECTION

QUESTIONS

1. How does Levitical cleanliness reveal the seriousness of sin and the grace of God?
2. In what ways does Christ’s ministry to lepers, women, and sinners illustrate the fulfillment of these chapters?
3. What is the difference between being ”separated from” and ”separated unto”?
4. How can a believer maintain purity without legalism?
5. Why is holiness both the cause and the consequence of fellowship with God?

CLOSING

MEDITATION

“ You shall be holy to Me, for I the LORD am holy, and have separated you from the peoples, that you should be Mine. **”**

— Leviticus 20:26

Holiness is God's ownership expressed in daily life, not self-made purity. The God who cleanses also claims. The blood that redeems also sanctifies. In Christ, every barrier — moral, ceremonial, or spiritual — is overcome. He is both **the Cleansing Fountain** and **the Holy Place**.

“ Having these promises, beloved, let us cleanse ourselves from all defilement of flesh and spirit, perfecting holiness in the fear of God. **”**

— 2 Corinthians 7:1

Christ in the Feasts of the Lord

Theme: The Prophetic Calendar of Redemption — Christ in Every Appointed Time.

INTRODUCTION: GOD'S CALENDAR OF REDEMPTION

Leviticus 23 presents the **Feasts of the Lord** — not Israel's feasts, but **Yahweh's appointed times** (מְאוּדִים mō'ēdîm). They form the divine blueprint of God's redemptive history — every feast a prophetic picture of **Christ's person and work**.

“ These are the appointed feasts of the LORD, holy convocations, which you shall proclaim in their seasons. ”

— Leviticus 23:4

The Hebrew term מְאוּדִים mō'ēd means an **appointed meeting** — the time when heaven and earth meet in fellowship through redemption. Each feast, like a link in a chain, unfolds the **timeline of the Gospel**:

- Passover — Christ's death
- Unleavened Bread — His burial
- Firstfruits — His resurrection
- Pentecost — The Spirit's outpouring
- Trumpets — His return for the Church
- Day of Atonement — Israel's national repentance
- Tabernacles — The Kingdom's fullness

THE STRUCTURE OF LEVITICUS 23

Christ's first coming fulfilled the first four feasts; His second coming will fulfill the last three. The gap between Pentecost and Trumpets pictures the **Church Age** — the harvest time.

Immediately following Passover, this feast lasted **seven days**, symbolizing a **continual walk of holiness**. Passover speaks of **deliverance**; Unleavened Bread speaks of **separation**. Christ’s body “saw no corruption” (Acts 2:27); believers must live in the purity His death provides.

“ These are the feasts of the LORD... which you shall proclaim to be holy convocations. ”

— Leviticus 23:37

From the first lamb slain in Egypt to the final harvest joy of Tabernacles, **Christ is the center of God's calendar.** Every trumpet blast, every loaf of unleavened bread, every booth and every sheaf — all speak of Him.

“ In the fullness of time God sent forth His Son. ”

— Galatians 4:4

“ The Word became flesh and tabernacled among us. ”

— John 1:14

The feasts begin with blood and end with glory — the same pattern by which the believer walks: **from redemption to rest, from cross to crown.**

Christ in the Covenant, the Sabbath, and the Jubilee

Theme: Rest, Redemption, and Restoration — Christ the Lord of the Sabbath and the Proclaimer of Jubilee.

INTRODUCTION: THE RHYTHM OF DIVINE REST

Leviticus 25–26 concludes the covenantal section by revealing three theological realities:

1. **Rest (Sabbath and Sabbatical Year)** — rest from labor and trust in divine provision.
2. **Redemption (Jubilee)** — liberty and restoration by grace.
3. **Relationship (Covenant Blessings)** — fellowship with God conditioned upon obedience, fulfilled in Christ.

The moral pulse of Leviticus beats in the rhythm of “**Rest and Release.**” Every seventh day, every seventh year, and every fiftieth year proclaimed that **God owns the land, the people, and time itself.**

“The land is Mine; for you are strangers and sojourners with Me.”

— Leviticus 25:23

In Christ, this rhythm reaches its eternal fulfillment:

- He is **the true Sabbath** — rest for the soul (Matt 11:28–29).
- He is **the true Redeemer** — who proclaims the acceptable year of the Lord (Luke 4:18–19).
- He is **the true Covenant Mediator** — securing everlasting blessings (Heb 8:6).

HEBREW

WORD

STUDIES

These words together form the grammar of grace: **rest** (Sabbath), **release** (Jubilee), and **relationship** (covenant). All three converge in Christ, who redeems time, land, and people for God.

THE SABBATH YEAR — TRUSTING GOD’S PROVISION (LEVITICUS 25:1–7)

Every **seventh year**, the land rested. The Israelites could not sow, reap, or prune; they lived on what God provided spontaneously.

Word	Transliteration	Meaning	Reference	Fulfillment
שַׁבָּת	<i>šabbāt</i>	Rest, cessation	Lev 25:2	Matt 11:28 — Christ our rest
שַׁבָּת שַׁבָּתוֹן	<i>šabbat šabbātōn</i>	Sabbath of solemn rest	Lev 25:4	Heb 4:9 — Eternal rest
יְוָמִים	<i>yōvēl</i>	Jubilee, ram's horn, liberty	Lev 25:10	Luke 4:18 — “Proclaim liberty”
גָּאֵל	<i>gā'el</i>	To redeem, buy back	Lev 25:25	Eph 1:7 — “In Him we have redemp- tion”
בְּרִית	<i>berīt</i>	Covenant	Lev 26:9	Heb 8:6 — Better covenant
בְּסֶד	<i>bēsed</i>	Covenant faithfulness / steadfast love	Lev 26:42	John 1:17 — Grace and truth

“ The Sabbath of the land shall provide food for you. ”

— Leviticus 25:6

Principle	Meaning	Fulfillment in Christ
Land rest	Creation's rhythm restored	Christ, Lord of creation
Trust in divine supply	Dependence on God, not toil	“Your Father knows what you need” (Matt 6:32)
Equality among people	All shared freely	Fellowship of the saints (Acts 2:44–45)

The Sabbath year expressed **faith through rest** — the outward picture of inward confidence in God. In Christ, this rest becomes spiritual reality:

“We who have believed enter into rest.” — Hebrews 4:3.

THE YEAR OF JUBILEE — THE TRUMPET OF LIBERTY (LEVITICUS 25:8–55)

The Institution of Jubilee

Every **fiftieth year**, after seven sabbatical cycles, the trumpet (*yōvēl*) sounded on the **Day of Atonement** and proclaimed liberty throughout the land.

“ You shall hallow the fiftieth year, and proclaim liberty throughout all the land to all its inhabitants. ”

— Leviticus 25:10

This became Israel's **year of restoration** — debts forgiven, slaves freed, property returned.

The Threefold Liberation

Area	Action	Spiritual Fulfillment
Debt	All debts cancelled	Forgiveness through Christ's blood (Eph 1:7)
Slavery	All slaves released	Deliverance from sin's bondage (Rom 6:18)
Inheritance	Land restored	Restoration of spiritual inheritance in Christ (Eph 1:11)

The Jubilee trumpet blew on the Day of Atonement — liberty rooted in atonement. True freedom flows from forgiveness.

The Theology of Jubilee

Symbol	Meaning	Christological Truth
Trumpet blast	Announcement of grace	Gospel proclamation
Return to possession	Restoration of inheritance	“Heirs of God” (Rom 8:17)
Release of servants	Redemption by grace	“If the Son sets you free...” (John 8:36)
No sowing / reaping	Dependence on provision	Grace, not works
Liberty year begins at Atonement	Freedom through blood	“The acceptable year of the Lord” (Luke 4:18–19)

The Jubilee functioned as both **social legislation** and **spiritual prophecy** — a foretaste of the **Kingdom age**, when creation will be delivered from bondage (Rom 8:21).

THE KINSMAN-REDEEMER (LEVITICUS 25:23–55)

The laws of redemption introduce one of the most beautiful titles of Christ — **the Go'el (Redeemer)**.

Provision	Description	Fulfillment in Christ
Redemption of property (25:25)	A near relative could buy back lost land	Christ, our Brother, restores lost inheritance
Redemption of persons (25:47–49)	A kinsman could redeem enslaved family	Christ redeems us from slavery to sin
Redemption conditioned on relationship	Only a near kinsman qualified	Christ became man to qualify as Redeemer (Heb 2:14–15)

“ I know that my Redeemer (Go'el) lives. ”

— Job 19:25

“ In Him we have redemption through His blood. ”

— Ephesians 1:7

The book of Ruth illustrates this principle — Boaz as the *Go'el* foreshadows Christ, the Redeemer who marries His Bride and restores her inheritance.

CHART — SABBATH YEAR VS. JUBILEE YEAR

Feature	Sabbath Year	Jubilee Year
Frequency	Every 7th year	Every 50th year
Land	Rests	Returns to original owner
Debts	Suspended	Cancelled
Servants	Rest	Released
Spiritual meaning	Rest in God's provision	Restoration in God's grace
Fulfillment in Christ	Spiritual rest (Matt 11:28)	Full redemption (Luke 4:18–19)

Together, these years show **rest and restoration** — the essence of redemption. The Sabbath year teaches **faith**; the Jubilee year proclaims **freedom**.

THE COVENANT BLESSINGS AND CURSES (LEVITICUS 26)

After the laws of rest and release, God outlines the **conditions of covenant relationship** — obedience bringing blessing, rebellion bringing discipline.

Blessings for Obedience (26:1-13)

Blessing	Description	Fulfillment in Christ
Rain in season	Fruitfulness and provision	Spiritual fruit (John 15:5)
Peace in the land	Security	Peace with God (Rom 5:1)
Victory over enemies	Triumph	“More than conquerors” (Rom 8:37)
God’s presence	Tabernacle among them	“God with us” (Matt 1:23)
Covenant confirmation	Fellowship	New covenant in His blood (Luke 22:20)

“ I will walk among you, and be your God, and you shall be My people. ”

— Leviticus 26:12

This verse anticipates **Immanuel** — **God with us**, the incarnate fulfillment of covenant presence.

Curses for Disobedience (26:14-39)

When Israel disobeyed, the land rested by force during exile (26:34–35). Every unkept Sabbath year was repaid — fulfilled in the Babylonian captivity (2 Chron 36:21).

Principle	Leviticus	Fulfillment
Discipline for sin	Lev 26:18	Heb 12:6 — “Whom the Lord loves He chastens.”
Exile and desolation	Lev 26:33	National judgment for unbelief
Confession and restoration	Lev 26:40–45	Israel’s future repentance and restoration (Rom 11:26)

Even in judgment, mercy prevailed:

“ Yet for all that... I will not cast them away... I will remember My covenant. ”

[—] Leviticus 26:44–45

This steadfast mercy (*hesed*) anticipates the **new covenant grace** revealed in Christ.

CHART — THE OLD AND NEW COVENANTS

Aspect	Old Covenant (Leviticus 26)	New Covenant (Hebrews 8–10)
Basis	Law	Grace
Mediator	Moses	Christ
Sacrifice	Animal blood	Christ's blood
Scope	National (Israel)	Universal (Church)
Duration	Temporary	Eternal
Sign	Sabbath	Spirit (Eph 1:13)
Promise	Earthly blessings	Spiritual blessings
Result	Conditional fellowship	Secure relationship

“He is the mediator of a better covenant, established on better promises.” — Hebrews 8:6.

THE FULFILLMENT IN CHRIST: REST, RELEASE, AND RELATIONSHIP

Theme	Leviticus Shadow	Fulfillment in Christ
Rest	Sabbath year	“Come unto Me and rest.” (Matt 11:28)
Release	Jubilee	“Proclaim liberty to the captives.” (Luke 4:18)
Redemption	Go’el (kinsman-redeemer)	“In Him we have redemption.” (Eph 1:7)
Relationship	Covenant fellowship	“Abide in Me and I in you.” (John 15:4)
Restoration	Return of land	“All things reconciled” (Col 1:20)

The final chapters of Leviticus culminate in Christ — **the Rest-Giver, the Redeemer, and the Restorer.**

DOCTRINAL

SYNTHESIS

1. Sabbath typifies salvation rest.

Rest expresses trust, not inactivity — faith ceases from self-effort.

2. Jubilee prefigures full redemption.

Freedom from sin, debt, and bondage begins now and will be completed at Christ’s return.

3. The Covenant reveals God’s faithfulness.

Even when His people fail, He remembers His covenant of mercy.

4. Christ unites all three truths.

He gives rest to the weary, liberty to the captive, and covenant relationship to the redeemed.

“ *The Spirit of the Lord is upon Me... to preach deliverance to the captives, to proclaim the acceptable year of the Lord.* **”**

— Luke 4:18–19

REFLECTION

AND

DISCUSSION

1. How do Sabbath and Jubilee together portray the fullness of salvation?
2. Why must atonement precede liberty in the Jubilee sequence?
3. How is Christ both our Redeemer and our Rest?
4. What does God's remembrance of His covenant teach about grace and discipline?
5. How can believers live the Jubilee life today — spiritually free, yet humbly dependent?

CLOSING

MEDITATION

“ *This shall be a Jubilee to you; and each of you shall return to his possession.* **”**

— Leviticus 25:10

“ If the Son therefore shall make you free, you shall be free indeed. ”

— John 8:36

Christ is our eternal Jubilee. He releases us from sin's slavery, restores our lost inheritance, and reconciles us to the Father. The Sabbath calls us to rest; the Jubilee to rejoice; the Covenant to relationship. In Him, **time itself finds its fulfillment**, for He is both the Beginning and the End — the Alpha and the Omega.

Christ in Dedication, Vows, and the Presence of God

Theme: Holiness Expressed in Devotion — Christ the Perfectly Consecrated One.

INTRODUCTION: FROM ATONEMENT TO DEDICATION

Leviticus ends not with the sacrifices, feasts, or jubilees, but with **vows and dedications** — the voluntary acts of consecration. Having revealed how sinners draw near through blood, God now shows how the redeemed respond through **devotion**.

“ Now these are the commandments which the LORD commanded Moses... concerning vows and dedicated things. ”

— Leviticus 27:34

This final chapter shows worship culminates not in forgiveness alone, but in **surrender**. Atonement (chap. 16) removes the barrier; holiness (chaps. 17–26) builds the relationship; **dedication (chap. 27)** expresses love’s response.

Christ, the true Israelite, embodies this perfectly — *the Man wholly vowed to God’s will.*

“ Behold, I come to do Your will, O God. ”

— Hebrews 10:7

Thus, Leviticus ends where the Gospel life begins — with hearts wholly yielded to God.

THE STRUCTURE OF LEVITICUS 27

Each item — person, animal, property — was valued and could be redeemed by paying a set amount. God ends the book with a call to **voluntary consecration** and **evaluated devotion**, because holiness must not only be received; it must be **returned to God** in love.

Section	Topic	Verses
I	Valuation of persons vowed to the Lord	1–8
II	Dedication of animals	9–13
III	Dedication of houses	14–15
IV	Dedication of fields	16–25
V	Devoted (הֵרֶם <i>hērem</i>) things — irrevocable vows	26–29
VI	The law of the tithe	30–33
VII	Summary	34

Word	Transliteration	Meaning	Ref	Fulfillment
נְדָרֶת	<i>neder</i>	Vow, voluntary promise	Lev 27:2	Christ's perfect vow (Heb 10:7)
הֵרֶם	<i>hērem</i>	Devoted, set apart for destruction or God's exclusive use	Lev 27:2	Christ wholly devoted (John 17:19)
גָּאַל	<i>gā'al</i>	Redeem, buy back	Lev 27:1	Christ redeems what is vowed and lost
מִזְבֵּחַ	<i>ma'ăśer</i>	Tithe, tenth part	Lev 27:3	Christ the first and the best portion
קָדוֹשׁ	<i>qōdeš</i>	Holy, set apart	Lev 27:3	"Holy One of God" (Mark 1:24)

Every key term points to Christ — the Holy One, the Devoted One, the Redeemer, and the Firstfruits of all consecration.

THE VALUATION OF PERSONS (27:1–8)

“ When a man makes a special vow, the persons shall be for the LORD by your valuation. **”**

— Leviticus 27:2

Different age groups received different *valuations* in silver shekels — the measure of strength and service. This measured not worth before God but **capacity for temple work**.

Spiritual

Lesson:

God values every life devoted to Him — young or old, strong or weak — according to faith and availability, not ability.

Category	Male	Female	Symbolism
20–60 years	50 shekels	30 shekels	Full strength of life
5–20 years	20 shekels	10 shekels	Youthful service
1 month–5 years	5 shekels	3 shekels	Infant consecration
60+ years	15 shekels	10 shekels	Mature devotion

“They shall still bear fruit in old age.”

— Psalm 92:14

Christological

Fulfillment:

Christ fulfills the vow of perfect humanity — offering Himself entirely to the Father’s will, at every stage of life. He is the “servant in whom My soul delights” (Isa 42:1).

THE DEDICATION OF ANIMALS (27:9–13)

Clean animals vowed to God became holy and could not be exchanged or redeemed. Unclean animals could be redeemed with money plus a fifth.

Symbol	Meaning	Fulfillment
Clean animal	Acceptable life offered	Christ’s sinless humanity
Unclean animal redeemed	Fallen humanity bought back	Christ’s redemptive substitution
Adding a fifth	Grace beyond law	“Where sin abounded, grace much more abounded” (Rom 5:20)

In Christ, all distinctions between clean and unclean are resolved — He sanctifies the unclean by His offering.

THE DEDICATION OF HOUSES AND FIELDS (27:14–25)

A house dedicated to the Lord could be redeemed with its estimated value plus one-fifth. Fields were valued by seed-yield and proximity to Jubilee.

Christological

Truth:

Christ dedicated both “house” (the people of God) and “field” (the world). He is Lord of the house and Lord of the harvest (Matt 9:38).

Type	Meaning	Spiritual Fulfillment
House	Domestic life consecrated	Family as God's dwelling (Josh 24:15)
Field	Labor and inheritance	Service consecrated to the Lord (1 Cor 3:9)
Jubilee restoration	Property returned	Final redemption of all creation (Rom 8:21)

DEVOTED THINGS — THE H̄EREM (27:26–29)

“ *Nothing that a man devotes to the LORD, whether man or beast or field, shall be sold or redeemed; every devoted thing is most holy to the LORD.* **”**

— Leviticus 27:28

H̄erem designated something **irreversibly set apart** — either for destruction (in judgment) or for God's exclusive use.

Example	Meaning	Fulfillment
Cities devoted in battle (Josh 6:17)	Judgment on sin	Christ bore the curse of the devoted (Gal 3:13)
Priestly gifts devoted to God	Holiness beyond recall	Christ the utterly consecrated One

Doctrinal Insight:

All *h̄erem* points to the absolute claims of holiness — nothing devoted to God can belong to man again. Christ fulfills this as the One **wholly given**, with no reservation, even unto death.

“ *For their sakes I sanctify Myself.* **”**

— John 17:19

THE LAW OF THE TITHE (27:30–33)

“ *All the tithe of the land, whether seed of the land or fruit of the tree, is the LORD's; it is holy to the LORD.* **”**

— Leviticus 27:30

Tithing recognized God as owner of all things. This was not an economic rule but an **act of worship** — the giving of the first and best.

Element	Meaning	Fulfillment
Tenth part	Acknowledgment of ownership	“Of Him, through Him, and to Him are all things” (Rom 11:36)
Firstfruits of increase	Gratitude for grace	“Christ the firstfruits” (1 Cor 15:20)
Holy to the Lord	Consecration of totality	Christ the Holy One offered fully

Typological

Insight:

The tithe prefigures **Christ as the tithe of humanity** — the first and best portion given wholly to God for the redemption of all.

CHART — CONSECRATION AND REDEMPTION

Object	Leviticus Dedication	Spiritual Fulfillment
Person	Valuation and vow	Christ’s humanity devoted to God
Animal	Offered or redeemed	Christ’s substitution
House	Domestic sanctification	Church as household of faith
Field	Land inheritance	Kingdom stewardship
Devoted thing (<i>bērem</i>)	Exclusive holiness	Christ’s absolute consecration
Tithe	Holy portion	Christ the first and best offered

THE THEOLOGY OF DEDICATION

1. Dedication is voluntary but sacred.

The vow (*neder*) was optional, but once made, binding. Love gives freely; holiness keeps faithfully.

2. Dedication involves valuation and redemption.

Whatever is offered must be measured and, if redeemed, paid for — consecration has a **cost**.

3. Dedication culminates in Christ.

He is the true *Nazarite of God* — the One vowed, consecrated, and crowned with holiness (Num 6; John 17:19).

4. Dedication flows from gratitude.

Leviticus 27 follows all the feasts and sacrifices: only those redeemed and cleansed can dedicate themselves to God.

“ I beseech you therefore, brethren, by the mercies of God, to present your bodies a living sacrifice.

— Romans 12:1

THE CHRISTOLOGICAL FULFILLMENT

Levitical Theme	Christ's Fulfillment
Vowed persons	Christ offered Himself willingly (John 10:17–18)
Redeemed property	Christ restores all that was lost (Luke 19:10)
Devoted things	Christ wholly consecrated to God (John 17:19)
Tithes and firstfruits	Christ the firstborn among many brethren (Rom 8:29)
Valuation by silver	Redemption by precious blood (1 Pet 1:18–19)

The final chapter of Leviticus is not an appendix but the **apex** — atonement leads to devotion, forgiveness leads to offering, and grace leads to gratitude.

DOCTRINAL SYNTHESIS

1. Dedication completes redemption.

Salvation received must become service returned. “*We love Him because He first loved us.*”

2. Christ embodies total consecration.

Every vow finds its perfection in Him — the Man for God.

3. The Spirit applies this holiness to believers.

Our bodies and possessions belong to God; we are His devoted portion.

4. The Church lives as a devoted people.

“*You are a chosen generation, a royal priesthood... that you may declare His praises.*” (1 Pet 2:9)

5. All ends with holiness.

The last word of Leviticus is *qōdes̄* — holy. The first word of sin was “you shall be as gods”; the final word of redemption is “be holy, for I am holy.”

Closing

Meditation

“ *Holy to the LORD.* ”

— Leviticus 27:30

“ *For their sakes I sanctify Myself.* ”

— John 17:19

Leviticus begins with **blood on the altar** and ends with **holiness to the Lord**. The journey from guilt to glory, from offering to devotion, completes in Christ. He is the One who vowed, offered, redeemed, and devoted all to the Father — and in Him, we too are called “*holy unto the Lord.*”

“ *The grace of God that brings salvation has appeared... teaching us to live soberly, righteously, and godly in this present world.* ”

— Titus 2:11–12

THE END

“To Him who loved us and washed us
from our sins in His own blood...
to Him be glory and dominion forever.”

— Revelation 1:5–6
